

Statement on Forced Labor

Date Published: June 21, 2022

Celina Aluminum Precision Technology Inc. strictly prohibits any type of forced labor in our supply chain and expect our suppliers to uphold the principles of Human Rights for all individuals. We will not conduct business with suppliers that do not follow this Human Rights principle. We will closely monitor supply chain activity to ensure this Statement is followed and expect our suppliers to support CAPT should any inquiries into the existence of forced labor be raised by any governmental entity.
